

ADVICE, SUPPORT AND GUIDANCE FOR FAMILIES WHOSE CHILD IS ON THE ASD PATHWAY OR ALREADY DIAGNOSED

Parents may wish to access advice and guidance from **the Liverpool ASD Training Team's** advice sessions or telephone consultations.

A confirmed diagnosis of ASD is not needed to access support from this service.

You can contact the ASD Training Team on:

Tel: 0151 233 5988

E-Mail asdtrainingteam@liverpool.gov.uk

While children remain open to Alder Hey ASD Pathway, parents can access the **ASD Pathway Advisory** sessions for information, support and advice on a range of topics such as sleep, eating, behaviour, sensory issues, social communication. Sessions are held on Tues between 9am & 12pm via video link or via phone call.

Tel 0151 282 4930

E-Mail asdqueries@alderhey.nhs.uk (this email may have changed on 15/10/2025 SOB to check)

ADDvanced Solutions and Liverpool Parent & Carer Forum (LivPac) are local services that provide advice, support and training to families of children, either with or without a confirmed diagnosis.

You can contact ADDvanced Solutions on:

Tel 0151 486 1788

E-Mail info@addvancedsolutions.co.uk

Website WWW.addvancedsolutions.co.uk

You can contact LivPac on:

Tel 07504 544 638

E-Mail Livpac@hotmail.co.uk

Website <https://livpac.org.uk>

Autism In Motion (AIM) is a parent-led organisation that provides support, advice and guidance for families of children with neurodevelopmental conditions. They offer courses, advice sessions and coffee mornings for parents and run supported social activities (including arts and crafts, yoga, sports, dance and days out).

You can contact AIM on:

Tel 0151 525 2225

E-mail info@aimautism.com
